## Login Via App

Experience new secure way to login without password via the app. Yes, now you can login to your Datamail Web account directly through your APP/SMS.

## Via App

With this option, you need not to submit any password to login into your account. You can just login via a code that will be generated in your Datamail app.

## **How It Works?**

1. Visit <u>https://mail.datamail.in/</u>. Click on Login. Click on Login via App.
